

MEET OUR MISSIONARIES JOHNMICHAEL POULIN – PERU

Johnmichael Poulin, his wife Angela, and their 3 boys, Jonathan, Aaron and Elijah, serve the Lord in Peru. This week we want to introduce you to the family. Each day, we will introduce you to a member of the Poulin family and tell you how they serve.

DAY 1

Meet Bro. Johnmichael. He is our BMA Missionary to Peru. Do you know what a missionary does? A missionary tells others about Jesus. Some missionaries are missionaries in their community where they live. Other missionaries feel like God wanted them to move to a different place to tell others about Him. The Poulins felt God wanted them to work in Peru. Eight years ago, Bro. Johnmichael moved his family to Ica, Peru. Johnmichael makes disciples and meets people in their city in many different ways. One way he meets people is through mission teams who come and help him serve. Another way he meets people is through a baseball league he started. Many Peruvians come to play with Bro. Johnmichael and his sons, and they invite them to church and tell them about Jesus. When they first moved to Ica, Bro. Johnmichael and his family began having church in their home. They eventually outgrew that and had to move to a bigger building to have church. They have also started two new churches since they began their work in Peru. Please pray for Bro. Johnmichael as he leads our pastors and missionaries in Peru.
