MEET OUR MISSIONARIES ANGELA POULIN – PERU

Johnmichael Poulin, his wife, Angela, and their three boys: Jonathan, Aaron, and Elijah serve the Lord in Peru. This week we want to introduce you to their family. Each day we will introduce you to a member of the Poulin family and share with you how they are choosing to serve.

DAY 2

Meet Angela Poulin. Angela is Bro. Johnmichael's wife. She is friendly and outgoing and does ministry in some special ways. When they first arrived in Peru, Angela made the grocery store her main place for meeting new people and inviting them to church. Every day she would go to the same grocery store and talk to the same ladies who were working there. From that grocery store ministry, Angela has had several ladies come to their church and Bible studies to hear about Jesus. Angela also ministers weekly to the women in their church. She becomes good friends with them and teaches them more about Jesus.

Crafts are also a love for Angela. Every month, she creates a Ladies Night in her home and prepares a special dinner and a craft project for the women. This is a special time for them to get to know each other in a very relaxed, fun atmosphere. During the evening, there is always a time for a devotional, which includes sharing and praying for each other.

Angela also ministers weekly to the women in their church. She fosters friendships with them and teaches them more about Jesus. Angela loves the Peruvians so much that she considers them her family, and she finds joy in ministering to them. Please pray with Angela that God will continue to use her to reach new people in their city.
